
SUPER MARIO 64
With
Lyrics
COURSE 1
Bob-omb Battlefield

I remember when I was 8-bit

It was hard for life, I admit.

came the SNES, then I yelled “YES!!!”

‘Cause of the new 16-bit

I met Yoshi and the Koopalings.

I was so happy, I could sing!

But soon something better had changed my life.

It was called the N64.

At first, I thought it was a bore.
NINTENDO64

With cruddy graphics

And fixed background pics

They called it “64-bit.”

But when in my first game,

It didn’t turn out that lame.

And now I'm gonna rid Bowser of his life.

‘Cause in Super Mario 6-4

There are so many worlds to explore

1, 2, 3, 4, 5,
6, 7, 8, 9
stars

only 1-1-1 more and then Bowser will see stars

Mario

64

Mario

64

Mario

64

Jolly Roger
Bay

Mario

64

Mario

64

Mario

64

Coming
Bowser's
Way

Going over to kill the Whomp King.

HA! I guess now he is the Wimp King

Beat the Dire Dock, going to Tick Tock Clock

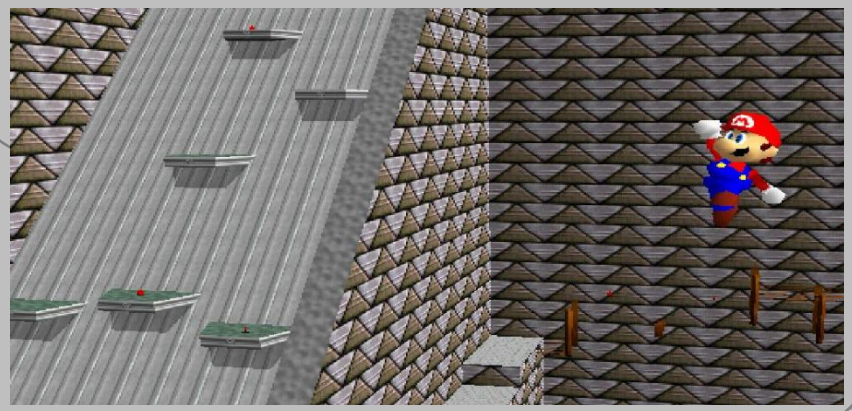

And 12 more stars that I will bring

Gotta go and talk to the Toads

Use a Vanish Cap under the moat

And I’m so close to beating the Koopa King

Looks like
Mario’s coming
my way

I have only one thing to say:

Hey, Mario would you please go?

’cause Peach is now my new bae

He’ll never get past my traps

He’ll have to jump some long gaps

When he battles me and loses, it’ll make my day

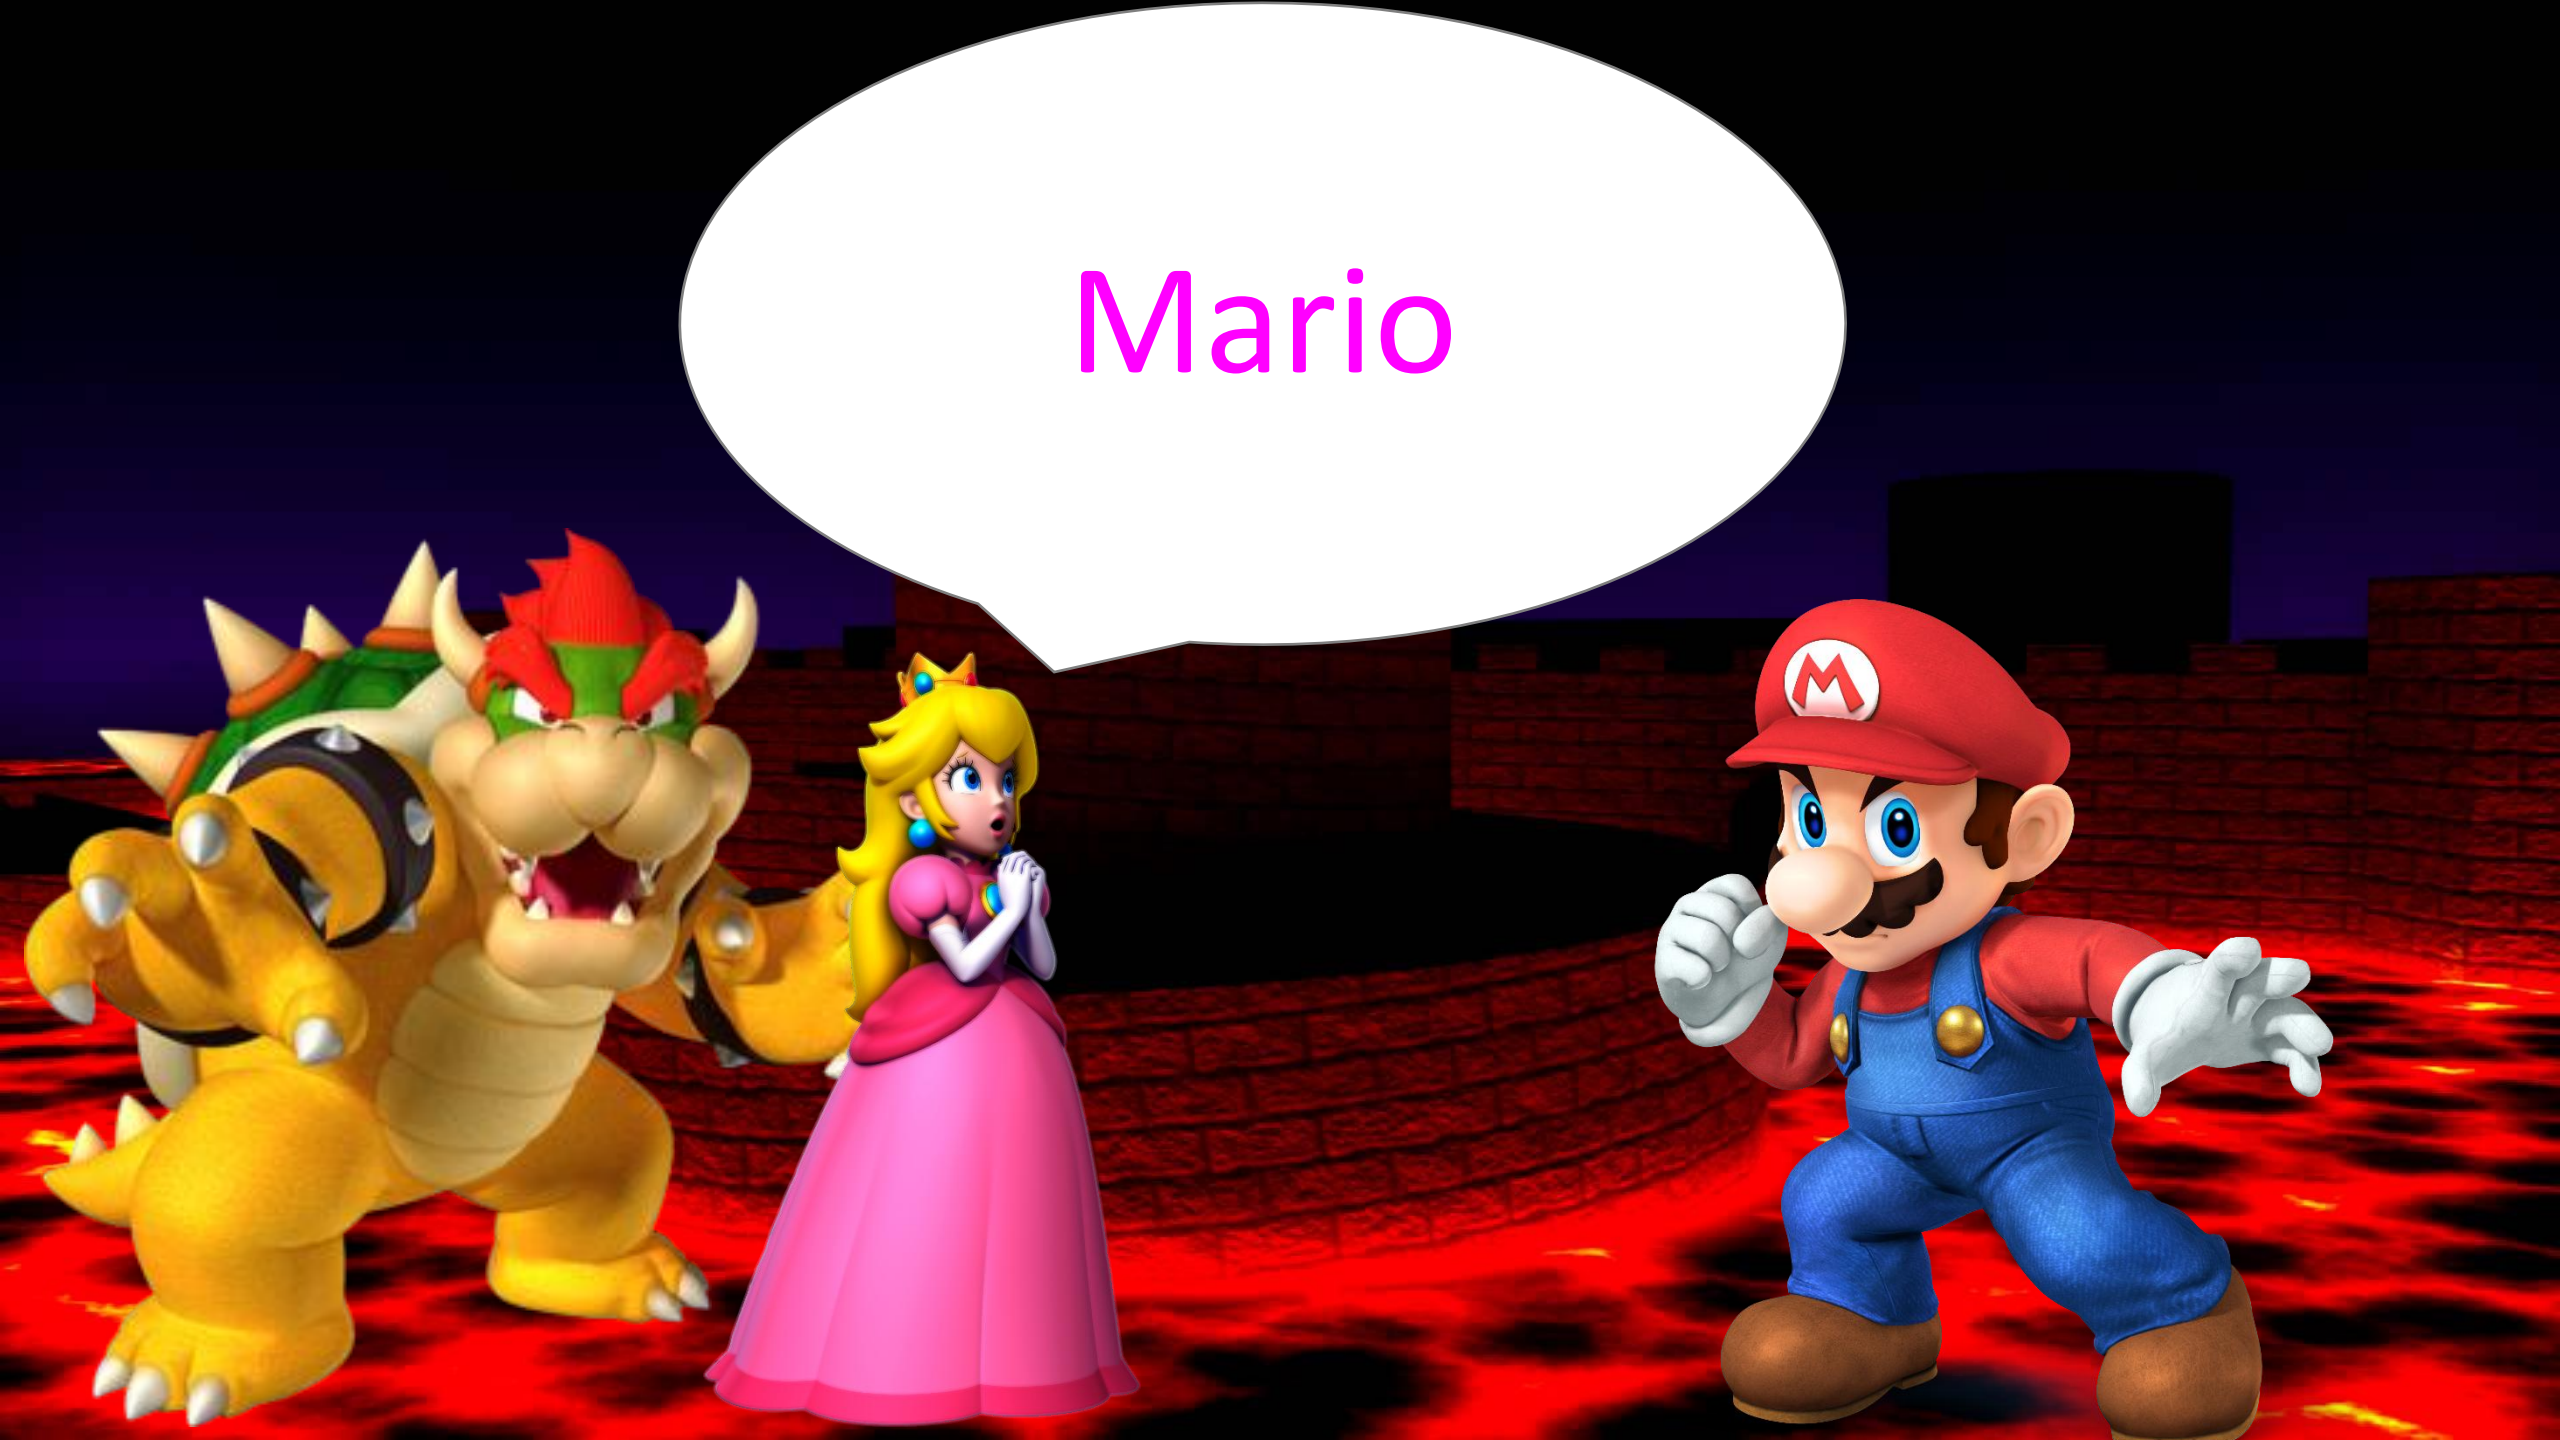

Mario, come here, you short fat creep

there’s no way you’ll rescue Peach

scoundrel, hand back Peach right now!

Yeah, I do not think so, so I must say ciao

Mario

Please help me

I am,
Peach

Leave it to me

Mario

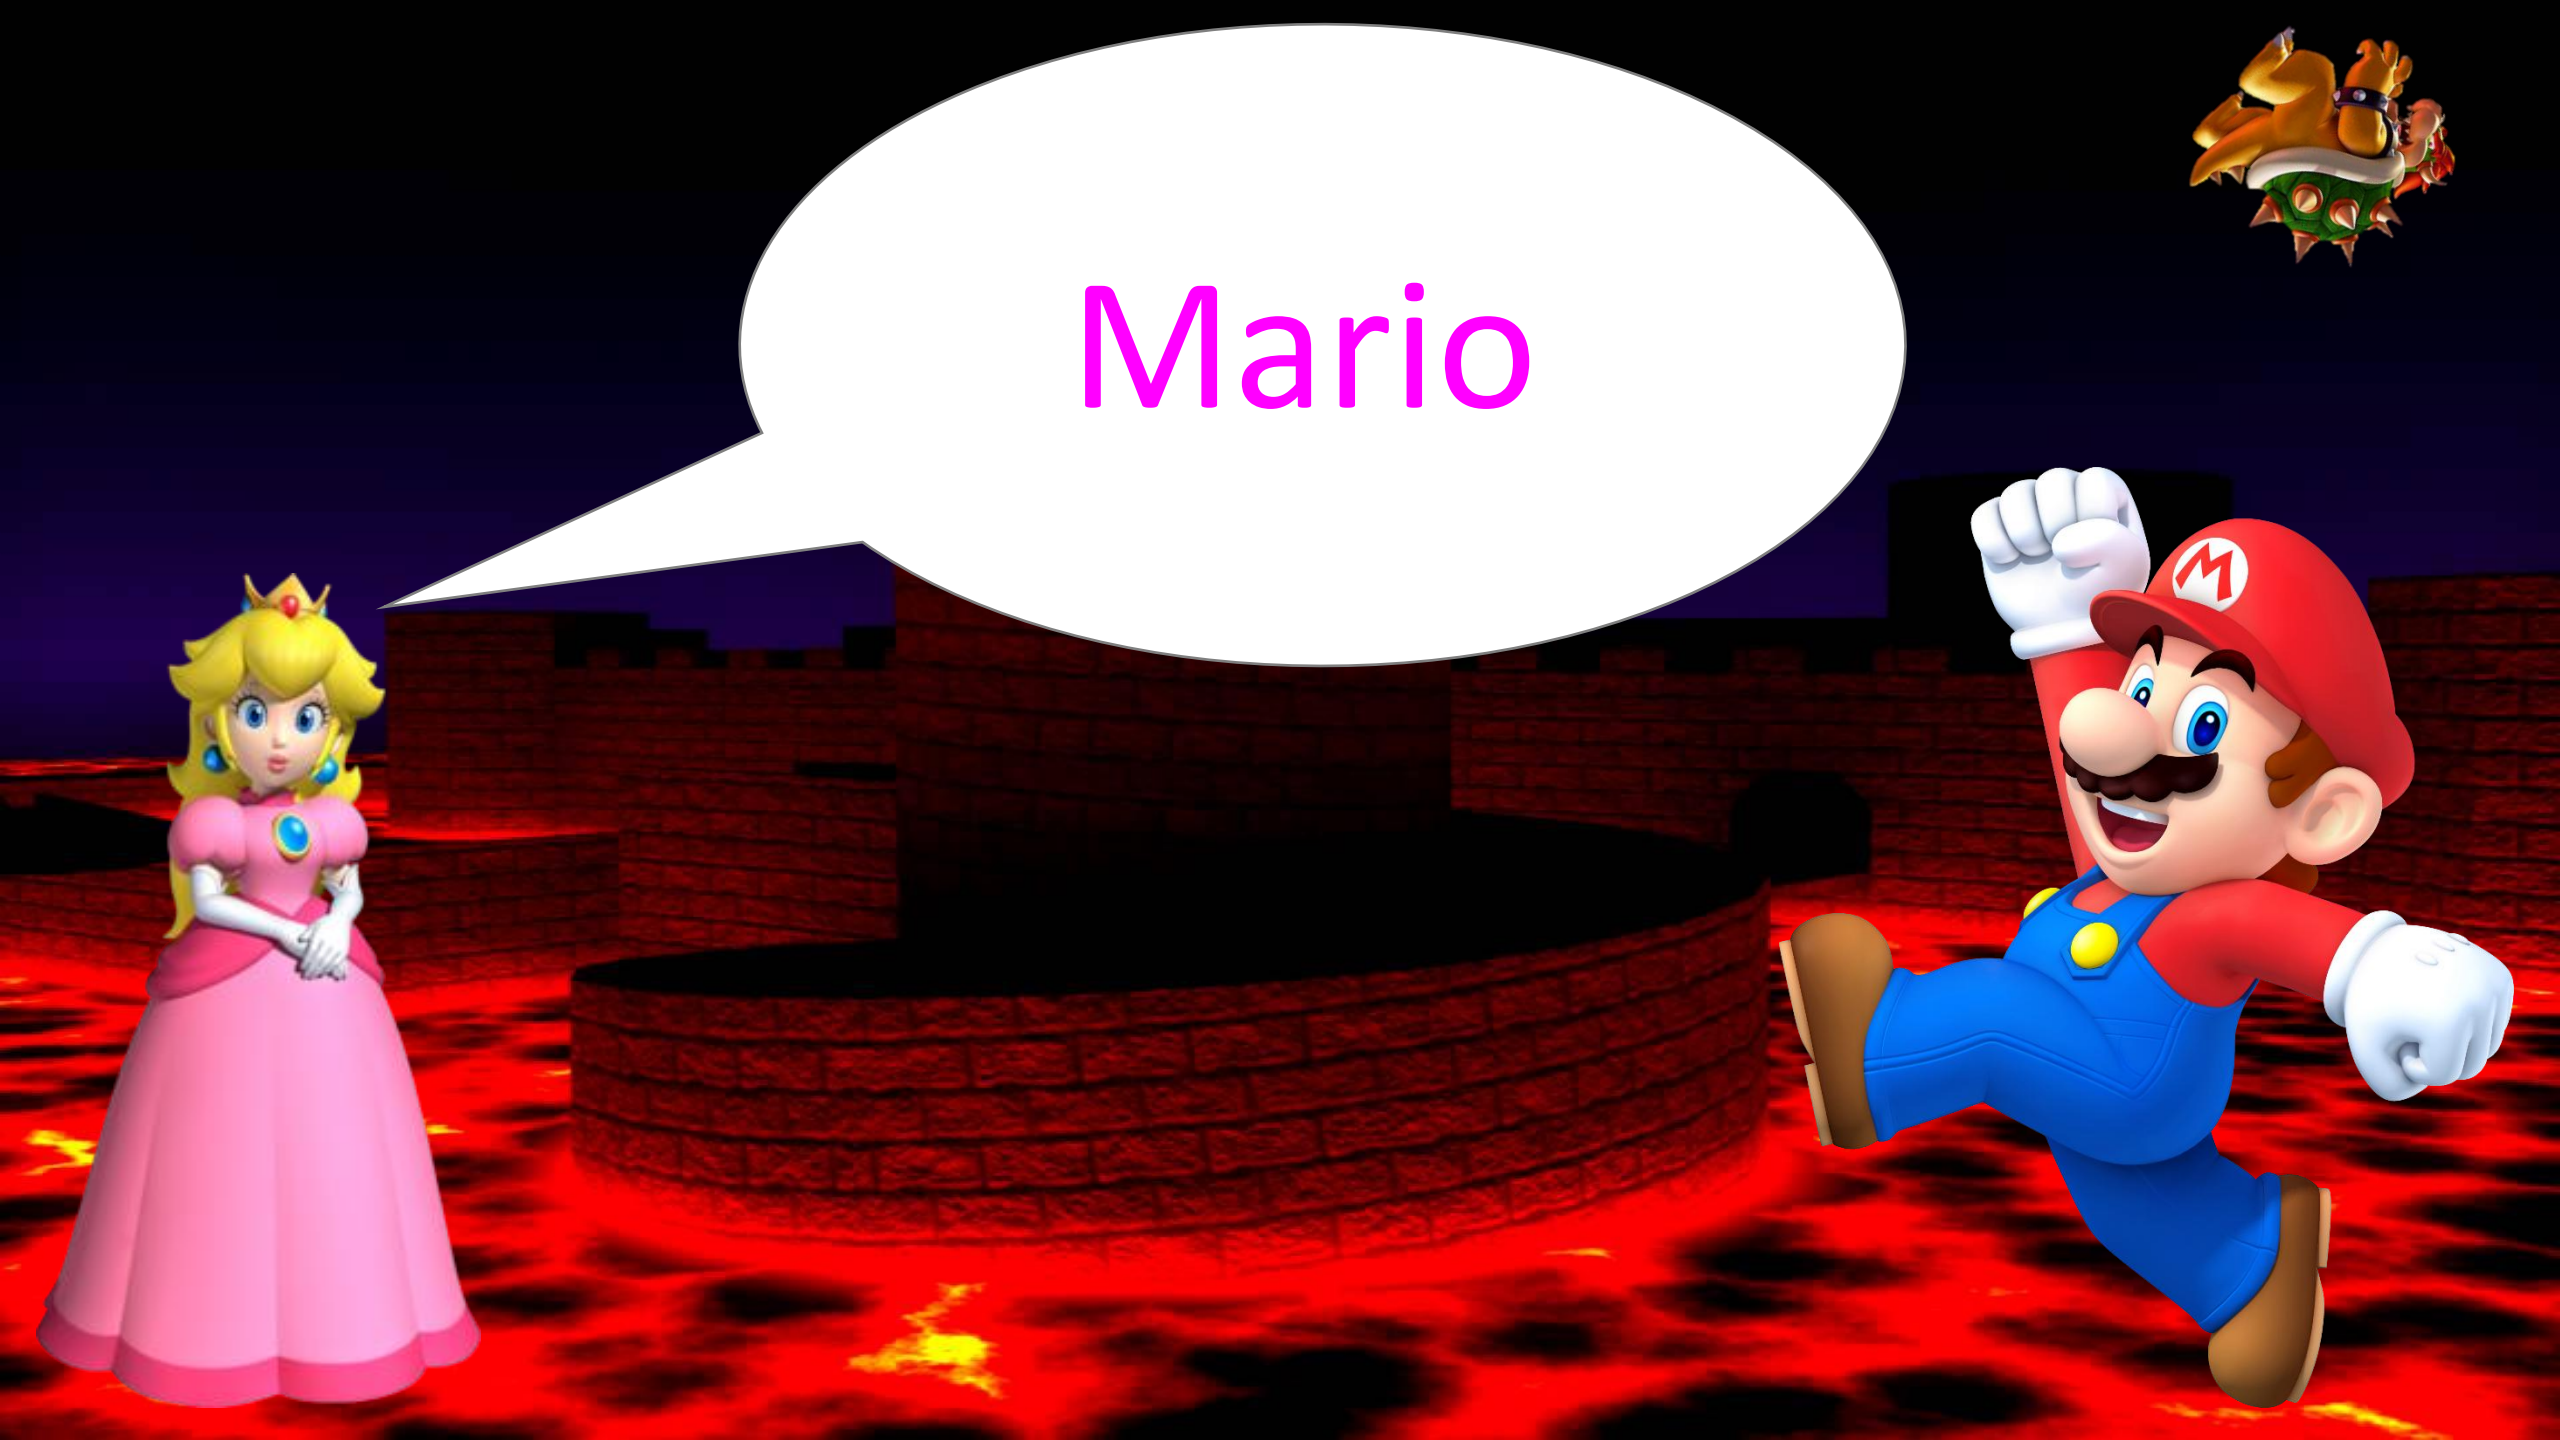

stop right there

Wait, what are you doing?

I'll just spin

You around

you off
the
ground

Mario

You saved me...

LET’S GO
BAKE A
CAKE!!!
